### **DETAILED ACTION**

Applicants' amendment filed 9/25/06 has been entered. All pending claims have been carefully reconsidered in view of the amendment.

#### ***Allowable Subject Matter***

Claims 1, 3, 6-12, 15, 18, 41, 43-51 are allowed.

The following is an examiner's statement of reasons for allowance:

As discussed in prior office actions, optical coupler system having a housing, a sleeve with changeable inside diameter and a removable ferrule is known in the art. However, none of the prior art fairly teaches or suggests such optical coupler system having the sleeve attached to the housing by a single strip of metallization covering 45 degrees or less of the circumference of the sleeve, in the manner claimed in the present application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
